

## Postponement of the 2020 JANE Concours d'Elegance until 2021

Back in January, I started working on our annual Concours d'Elegance scheduled for August. My goal was to top the record breaking attendance of last year's Concours, and to exceed the expectations that fueled its success.

All of a sudden, the Pandemic exploded throughout the world! Being a *perpetual optimist*, after all... January - August = 7 months away... and with so many scientists throughout the world working on a vaccine, a breakthrough would *undoubtedly* be found!? And so... Aldo Cipriano the Chief Judge, and I, continued to plan the Concours event. By the time June rolled around, which was the month chosen to decide whether to continue or cancel, medical solutions were still out of reach. Some members started questioning their participation in our Festival. A virtual Board meeting during June finalized our decision. The majority voted to postpone the 48th Jane Concours d'Elegance until August 2021. Some expressed disappointment, and others breathed a sigh of relief.

And so, to alleviate some anguish among our owners who are still eager to drive their Jaguars and share amicable times with friends, we will work on other activities to fill the void.

Stay tuned and happy & heathy motoring.....

Daniel Graf  
Concours Chairman
